

## Thirstiness

I am so thirsty for the truth,  
For calmness,  
For peaceful sleep.

But I am going to laugh,  
I will never cry.  
And I will let history tell about how crazy I  
was.

I am going to walk to make a dawn,  
I will raise the towers of my art up and up.  
I will feel it by:  
Emotions  
Love  
So warm a feeling as a mother's hug.
